

**Rave Daddy Robby** is a DJ and event promoter based in **Saint Petersburg, Florida**, known for his deep involvement in the local house and techno scene. He recently expanded his presence by launching **Rave Daddy Events**, a platform dedicated to hosting electronic dance music (EDM) parties and providing backline equipment for major shows.

Robby began his journey in the electronic music world as a passionate fan over 30 years ago captivated by the sound of Trance. Quickly he rose to prominence by curating unforgettable nights that brought together diverse crowds and talented performers. His commitment to fostering a vibrant EDM community has made him a respected figure among both artists and fans. Not only does Robby spin energetic sets that keep dance floors moving, but he also works tirelessly behind the scenes to ensure each event runs smoothly, elevating the local music scene with every show.

Through **Rave Daddy Events**, Robby continues to innovate, offering top-notch production and support for other promoters and venues in Saint Petersburg and surrounding areas. His vision and dedication have solidified his reputation as a driving force in the city's nightlife, making him a true ambassador for house and techno music in Florida.

Rave Daddy Robby has performed at a variety of electronic dance music events throughout Saint Petersburg, Florida, many of which he curated and promoted himself. Events such as Groove Cruise, several Divine Freak Events, and a regular residency at Saigon Blonde, which is the premiere house venue in Downtown St. Petersburg, FL. His sets have been featured at local house and techno parties, underground events, and collaborative shows with other artists and promoters. As the founder of Rave Daddy Events, Robby regularly hosts EDM nights, like Tequila and Techno at Bayboro Brewing, that showcase both established and emerging talent, contributing to the city's vibrant nightlife and expanding the reach of electronic music in the region.
